ABOUT THE FUND

- ◆ 13D Activist Fund is a concentrated & actively managed portfolio of approximately 30 stocks that we believe represent the best Activist Catalysts in the market.
- ◆ 13D is uniquely qualified to manage this portfolio as we are the Subject Matter Experts on Shareholder Activism & Corporate Governance:
 - ◆ Run 13D Monitor, the premier institutional research on activism since 2006
 - ◆ Author the Barron's Activist Spotlight column since 2007
 - ◆ Host the 13D Active Passive Investor conference since 2010
- ◆ 13D utilizes this expertise to create the purest and most comprehensive exposure to Shareholder Activism in a diversified, low cost & liquid structure.

INVESTMENT STRATEGY

- ◆ Shareholder Activism produces an understandable, repeatable and consistent outperformance by changing corporate culture, implementing best corporate governance practices, offering shareholders an alternate plan and replacing entrenched, conflicted and self-dealing management teams.
- ◆ Activism can drive meaningful improvements to the operating performance of companies unlike passive investing.
- ◆ Value oriented, event driven fund that focuses on 13D filings.
- ◆ Designed to generate idiosyncratic, catalyst-oriented returns.
- ◆ ESG - Pure exposure to Activism and Governance.
- ◆ Investment Objective is Capital Appreciation.

*** Actual number of positions and portfolio turnover may vary due to 31 day tax loss sales. Portfolio turnover measures trading in dollars: cumulative buys or sells in dollars (whichever was lower), divided by average dollars in the portfolio for the fiscal year. Name turnover measures holding replacement: the lower number of stocks added or stocks liquidated during the fiscal year, divided by the average number of stocks held during the fiscal year.

Please remember that past performance may not be indicative and is no guarantee of future results. The fund performance data quoted here represents past performance. Current performance may be lower or higher than the performance data quoted above. Investment return and principal value will fluctuate, so that shares, when redeemed, may be worth more or less than their original cost. Fund performance, especially for very short periods of time, should not be the sole factor in making your investment decisions. There is no guarantee that any investment strategy will achieve its objectives, generate profits or avoid losses. Historical performance results for investment indices and/or categories have been provided for general comparison purposes only, and generally do not reflect the deduction of transaction and/or custodial charges, the deduction of an investment management fee, nor the impact of taxes, the incurrence of which would have the effect of decreasing historical performance results. It should not be assumed that your account holdings correspond directly to any comparative indices. Past performance may not be indicative of future results and does not reflect the impact of taxes on non-qualified accounts. The data is not guaranteed. You cannot invest directly in an index. The Lipper Mid-Cap Core Funds Peer Group have been presented as investment strategies with similar investment styles. Lipper rankings are based on total return of a fund's stated share class, are historical and do not represent future results.

IMPORTANT DISCLOSURES

Investment Objective is Capital Appreciation.

Portfolio holdings and allocations are subject to change and should not be considered investment advice. Each of these asset classes has its own set of investment characteristics and risks and investors should consider these risks carefully prior to making any investments. Investments in foreign securities could subject the Fund to greater risks including, currency fluctuation, economic conditions, and different governmental and accounting standards.

There is neither a front end load nor a deferred sales charge for the 13D Activist Fund I Class Shares. The A Class shares are subject to a maximum front end load of 5.75%. Shares held for less than 30 days of both classes are subject to a 2.00% redemption fee. The total operating expense ratio (including indirect expenses such as the costs of investing in underlying funds), as stated in the fee table in the Fund's prospectus, which can be obtained on the web at www.13DActivistFund.com or by calling 1-877-413-3228, is 1.51% for I Class, 1.76% for A Class and 2.51% for C Class. Mutual Fund investing involves risk including loss of principal. Overall stock market risks will affect the value of individual instruments in which the Fund invests. Factors such as economic growth, market conditions, interest rate levels, and political events affect the U.S. securities markets. When the value of the Fund's investments goes down, your investment in the Fund decreases in value and you could lose money. The Fund is a non-diversified investment company, which makes the value of the Fund's shares more susceptible to certain risks than shares of a diversified investment company. The Fund has a greater potential to realize losses upon the occurrence of adverse events affecting a particular issuer. The value of small or medium capitalization company stocks may be subject to more abrupt or erratic market movements than those of larger, more established companies or the market averages in general. An investor should also consider the Fund's investment objective, charges, expenses, and risk carefully before investing.

The S&P 500 Index is an unmanaged composite of 500-large capitalization companies. This index is widely used by professional investors as a performance benchmark for large-cap stocks. You cannot invest directly into an index. The Russell 2500 Index is a broad index, featuring 2,500 stocks that cover the small- and mid-cap market capitalizations. The Russell 2500 is a market cap-weighted index that includes the smallest 2,500 companies covered in the Russell 3000 universe of United States-based listed equities. **Before investing, please read the Fund's prospectus and shareholder reports to learn about its investment strategy and potential risks. This and other information about the Fund is contained in the Fund's prospectus or summary prospectus, which can be obtained on the web at www.13DActivistFund.com or by calling 1-877-413-3228. Please read the prospectus carefully before investing.**
